

CLEP Information for BAPTIST HEALTH Schools Little Rock Students

What are CLEP Exams?

CLEP (College Level Examination Program) exams are 90 minute, computer-based, multiple-choice exams in a variety of areas. If a student has enough knowledge to attain a particular score, the student gets credit for the college level class and does not have to take it traditionally.

What courses can I CLEP?

Among the PTC course requirements for nursing, BHSLR students can CLEP Composition I, Psychology and the Human Experience, and Intro to Sociology. For additional listings of accepted CLEP Exam scores, please visit www.pulaskitech.edu and click "Current Students". Scroll down and click "Testing Services". Then click the link for CLEP, followed by the link for accepted scores.

Where and when do I take CLEP exams?

CLEP exams are given on selected Monday and Tuesday afternoons at 1:30 pm at UALR. You must first register at least one week ahead of time via mail, or you may go to Testing Services in Ross Hall, Room 409 on the UALR campus. The UALR Testing Services website contains a printable registration form, along with a step-by-step guide to CLEP testing procedures, dates, fees, parking info, etc.

See <http://www.ualr.edu/testing/index.php/clep> for complete step-by-step registration instructions.

How much does the test cost?

You will pay a \$20 registration fee the day you register and a \$77 fee will be paid the day of the test. Both fees are per test. If taking an exam with an essay portion, there is an addition \$10 fee.

Where should I send my scores?

Your scores can be sent to BAPTIST HEALTH Schools Little Rock and Pulaski Technical College. You must be currently enrolled at the institution where you send your scores. The four digit code for BHSLR is 2609; PTC's code is 8365.

What must I score in order to successfully CLEP a course?

CLEP exams are scored on a scale from 20 to 80. Most area colleges have agreed on the following scores, but if you want to transfer credit, always check with the institution. BHSLR and PTC will accept the following scores to receive credit for the course:

<u>Course</u>	<u>CLEP Exam</u>	<u>Minimum Score</u>
Composition I (ENGL 1311)	College Composition Modular	50
Psychology (PSYC 2300)	Intro Psychology	64
Intro Sociology (SOCI 2300)	Intro Sociology	53
College Algebra (MATH 1302)	College Algebra	53

Anything else I need to know?

You may take up to two exams in one afternoon at UALR. You must wait six months before repeating any exam.
