

Suggested coursework of study

Degree plan schedule for night students beginning in the spring semester.

Option 2

Semester I

*DFT 1205	Introduction to CAD
*CTT 2203	Drawing and Specifications
*DFT 2103	Construction Techniques

Semester II

DFT 1605	Estimating
DFT 1504	Mechanical

Semester III

DFT 2204	Surveying & Elevations
DFT 2505	Advance CAD

Semester IV

DFT 2605	HVAC, Plumbing, Elect.
DFT 2305	Civil CAD

Semester V

DFT 1305	Architectural CAD
DFT 1405	Structural CAD

Semester VI

MFT 2303	CAD/CAM
Math 1302	College Algebra

Semester VII

Engl 1311	English Composition I
Math 1303	Trigonometry

Semester VIII

Engl 1312	English Composition II
Social Science	Approved Elective

NOTE: * First time entering students should take these three courses their first semester. If they are not taken the first semester it will lengthen the graduation processes.

NOTE: Developmental and General Education courses are open and can be taken online, summer or at times elected by the student but should not be placed in times recommended by this schedule.
